

Dear Industry Member:

I am writing to ask you to contribute to PRV PAC. Our Political Action fund allows all of us working for the recreation industry to support candidates for office who support us.

I know how demanding this pandemic has been and continues to be for all of us. There may never be a more important time to engage politically and strive for policies in Harrisburg that reflect what the RV industry needs. Our industry is squarely in the national spotlight, and yet, matters that are most important to us are often overlooked in the frenzy of media coverage, partisan politics, and real uncertainty among our communities. We have challenges on every front—from lemon laws to tourism and transportation issues. We also face increasing regulatory obstacles and we cannot sit on the sidelines hoping that politicians will do the right thing.

By being pro-active and joining colleagues in the industry all around the state to give a contribution to PRV PAC, we will have access to those legislators who support our livelihood and the future of the recreation vehicle and camping industry in Pennsylvania.

That's why I'm asking you as a member of the Pennsylvania RV and Camping Association to contribute to the **PRV PAC**. Please understand your decision to participate is purely voluntary. You can use the remittance form enclosed. These contributions are not tax-deductible. Contributions made by check must be written from personal accounts and signed by the person making the contribution.

All contributors will be recognized in our association newsletter. For those who contribute \$100 or more, we'll also include your business card and special recognition throughout the year.

Thank you in advance for your support. If you have any questions pertaining to PRV PAC, please contact me, Heather Leach, at heather@prvca.org.

Sincerely,

Heather Leach, CAE
